Mr. Shaun Egan
Integrating Technology and Standards, Inc.
dba Iron Woman Construction and Environmental Services
10515 East 40th Avenue, #108
Denver, Colorado 80239

Dear Mr. Egan:

The Division of Small Business Opportunity is pleased to inform you that Integrating Technology and Standards, Inc. dba Iron Woman Construction and Environmental Services is certified as a Disadvantaged Business Enterprise pursuant to the US Department of Transportation's Regulation 49 CFR Part 26. Integrating Technology and Standards, Inc. dba Iron Woman Construction and Environmental Services is eligible to participate as a DBE on US Department of Transportation financially-assisted projects in Colorado in the work categories listed on the enclosed attachment. Your firm will be included on the Colorado Unified Certification Program's (UCP) on-line directory of eligible DBE's. You can access the directory at www.dot.state.co.us/app_ucp/.

Certification Number: 8032

Annual Update Due: August

This certification is valid through August 2009 but must be updated annually prior to the anniversary of the certification date. A reminder, with instructions, will be sent each July, the month prior to your eligibility anniversary. If you do not receive the reminder, it is your responsibility to request a Change Affidavit from this office. The annual updates are necessary to ensure no interruption in your firm's DBE eligibility. If any change occurs in the firm's legal structure, ownership, management, control, or work performed, you must notify the Division of Small Business Opportunity immediately.

The State of Colorado's UCP partners wish you great success in all your business endeavors.

Sincerely,

Tamela Lee, Director
